The LSA Music Minor offers students the opportunity to explore music to enrich their studies and receive formal recognition on their diploma. The minor also makes music studies more accessible to students with already demanding majors, such as engineering.

OFFICIAL REQUIREMENTS

An academic minor in music is developed in consultation with an undergraduate advisor in music. Appointments are scheduled through the LSA Academic Advising Center, 1255 Angell Hall (764-0332).

Prerequisites to the Academic Minor: None.

Academic Minor Program: At least 15 credits (and five courses), to be chosen from the following two categories as stated below:

1. **Required Survey Course:** MUSICOL 121 (Introduction to Music), MUSICOL 122 (Introduction to World Music), or the equivalent (MUSICOL 123, 130, 345, 346), or Introduction to Music Theory (THEORY 137 or 238), or the equivalent.

2. **Electives:** at least 12 credits in Music courses, with at least two courses at the 300-level or above. Electives must include one or more courses in two of the following five areas: Composition, Musicology, Music Theory, Performance, and Performing Arts Technology.

AP credit: AP credits may not be used to satisfy requirements of the academic minor with one exception. AP Credit may qualify, if approved by the advisor, for the Required Survey Course. In this instance, a minimum of 5 other courses, totaling 15 credits, must be elected for the minor.

Conditions: Upon approval of the LSA music advisor, up to six credits earned outside of the University of Michigan or its sponsored programs may be used to fulfill requirements for the academic minor.

Exclusions: An academic minor in Music is not open to students who are majoring in Music. The minor is also not open to students enrolled in the SMTD.

Contact the LSA Advising Office at 764-0332 to arrange a meeting with the LSA music advisor.

* The elective requirements are not mutually exclusive. You may satisfy these two requirements using the same courses. For example, taking a 300-level course in performance and a 300-level course in musicology would satisfy both of these requirements (300+ level, different areas).

The five primary areas of music study at the School of Music, Theatre, and Dance (SMTD) are MUSICOLOGY, THEORY, COMPOSITION, PAT, and PERFORMANCE. You must take electives in two of these different areas to complete the music minor.

Selected music-centered courses offered by other U-Mich colleges/departments/programs (such as the Residential College (RCHUMS), the Program in American Culture, Physics, Sociology, and so on) may be used to satisfy certain requirements for the LSA Music Minor.
