## Conservation Educator

Want a rewarding  
summer job where you  
get paid to have fun?

Michigan Out-of-Doors Youth Camp is held throughout the summer at the restored Cedar Lake Outdoor Center near Chelsea, MI. This camp focuses on outdoor technical skill building and teaching the science behind conservation as part of each and every camp theme offered. During their week at camp, youth increase their knowledge of ecological concepts and broaden their awareness of conservation issues through hands-on nature experience.

### Job Responsibilities:

- Supervise campers at all times
- Lead outdoor and environmental education programming to groups of up to 15 campers
- Plan science based environmental education programs
- Be a positive role model for campers

### Requirements:

- Must be 18 years old or older
- CPR/First Aid
- Able to live on-site when camp is in session
- Experience with children, recreation, or education preferred

### Compensation:

- \$400/week with room and board
