Home Jigsaw Model Teaching Worksheet

NON-EXPERT'S JOB DURING HOME GROUP TIME

The non-expert's job during this teaching time is to ask questions of the expert and probe the topic well enough so that by the end of the session everyone in the home group understands the topic well enough to teach it to someone else. All group members must be prepared to present on all expert topics.

Topic 1: _____

Definition:

Supporting Evidence:

Why is this important?

What other questions came up that you were unable to answer?
