Trump Stories: Social Justice!

Billy: Fighting for Social Justice!

D.T.: Says dumb stuff and tells lies a lot.

But it isn't fair, we all need to have Social Justice.

My parents told me it's important.

Social Justice is for everyone.

Social Justice is for everyone.

No way! I see it as anything to stay President.

Any other way, I have to get rid of all of you.

This isn't the best of one.

5 minutes later...

Trump, it's unfair, you're treating all kinds of people unfairly. They can't do anything about it, what are they gonna do about it?

Response: Blah! Blah! Don't worry, I'm going to win.

Hillary interrupted 17 times, but you interrupted 5 times!

That's baby behavior! Remember, more people dislike you than like you in the USA.

Did you eat that?

Make peace or Mike Pence, Super larry and dumb.

But we know you're lying!
Trump STORIES: Social Justice

But it's more important to have:

Social Justice!

Social Justice!

Social Justice!

Please leave me alone.

Thank you!

So please, just work hard!

No, you'll do anything to stay president.

So we'll do anything for it.

Social Justice!

What would happen...

What would happen...

All they want is social justice. There's nothing wrong with that. I guess my mom was telling me lies. I'm the bully, I'm the bad.

Get out of my house now!

Blah, blah!

I need to fix this now!

Yes...

-time for a change!

Let's make this happen now!

What could happen...

Social Justice!

Social Justice!

Social Justice!

Hugs!

Honey!

The good end!!!
