Papers/Presentations

JOBS: An International Program to Help Workers Within and Outside the Company. Invited Address: National Conference of the Japanese Psychological Association on Work and Mental Health, August 27, 2013, Yokohama, Japan

Work Transitions and Mental Health Throughout the Life Course. Conference on Work, Stress and Health 2013: Protecting and Promoting Total Worker Health, American Psychological Association, the National Institute for Occupational Safety and Health (NIOSH) and the Society for Occupational Health Psychology. May 19 2013, Los Angeles CA

Enhancing resilience and supporting reemployment with the JOBS program. Plenary Address: Psychological Therapies in the National Health Service. London, England, November 30, 2012

Organizational innovations to support the transition to retirement: Recent findings and future prospects. International Congress on Occupational Health, Cancun, Mexico, March 22, 2012.

Unemployed job seekers: Stressors and health impact. Congressional Briefing sponsored by American Psychological Association, Public Interest and Government Relations, October 19, 2011

Designing, Implementing, and Disseminating Effective Interventions for Unemployed Job Seekers. Plenary Address, Fourth International Conference on Unemployment, Job Insecurity and Health, September 21, 2011 Helsinki, Finland

Job Loss and Economic Stress: Impact on Health. Keynote Address, International Conference on Work Stress and Health, May 19, 2011, Orlando, Florida

Future Challenges for Research and Development of a Jobs Program, International Conference on Work Stress and Health May 21, 2011, Orlando, Florida

The University and the Michigan Economy, Interdisciplinary Committee on Organizational Studies, University of Michigan, March 18, 2011

The mental health promotion cycle: Research skills and workforce implications. Sixth World Conference on the Promotion of Mental Health and Behavioral Disorders Washington DC, November 18, 2010

The business cycle and its impact on health. Keynote Address, APA NIOSH Conference on Work, Stress and Health, Orlando Florida, May 20, 2011

Future challenges for research and development on the JOBS program APA NIOSH Conference on Work, Stress and Health Orlando Florida, May 22, 2011

Winning New Jobs and Opportunities: Economic and Mental Health Impact. HSE National Office of Suicide Prevention, Dublin Castle, Dublin, Ireland July 29, 2009.

Groups as delivery systems for prevention: The case of JOBS. Invited Address, Division 49: American Psychological Association, Toronto, Canada, August 9, 2009

Back to the future: Putting people and roles back in organizational theory. Twentieth Anniversary Symposium, Interdisciplinary Committee on Organizational Studies, University of Michigan, September 11, 2009.

International dissemination of JOBS: Innovation champions succeed through networks, organizing and cultural adaptation. International Conference on Work, Stress and Health San Juan, Puerto Rico, November 11, 2009.

The Practical Utopian: Graduation Address, Organizational Studies, University of Michigan, May, 2010

Policy alternatives for work and mental health: Prevention for adults. Invited Address, Rosalynn Carter Symposium on Mental Health Policy, The Carter Center, Atlanta, Georgia, November 8, 2007.

Winning New Jobs: The story so far. Keynote Address, Work and Occupational Psychology Conference, Manchester England March 7, 2008.

How innovation champions lead. Invited Address, School of Business Administration, Seoul National University, May 13, 2008.

Social Innovators as Leaders. Inaugural address celebrating the Barger Family Professorship in Organizational Studies. University of Michigan, March 16, 2006.

Implementing the JOBS program in Ireland, Finland and the Netherlands. APA/NIOSH conference, Work, stress, and health 2006: Making a difference in the workplace. Miami Fl., March 2, 2006

Quality of worklife 2002: results from a national survey of workers. APA/NIOSH conference, Work, stress, and health 2006: Making a difference in the workplace. Miami Fl., March 2, 2006

Nonstandard work and health: who is at risk and who benefits? Invited conference, Health effects of nonhealth policy. National Poverty Center, Bethesda Md. February 10, 2006

Unemployment and mental health. Invited colloquium, School of Economics and Social Sciences, Singapore Management University, Singapore, November 11, 2005.

The Michigan Prevention Research Center in the Survey Research Center. SRC staff meeting, University of Michigan, January 25, 2006.

Social capital, global corporations and human well being. Seminar presentation, Global Corporations and Human Well Being, CARRS, September 11, 2005.

Taking Evidence-Based Programs International. Invited Colloquium, Oregon Social Learning Center, Eugene, Oregon, May 22, 2005.

Designing, Implementing, Evaluating and Disseminating Preventive Innovations for Working Life. Invited Seminar, Radboud University, Nijmegen, The Netherlands, May 19, 2005.

The Winning New Jobs Program: The Story So Far. Keynote Speech, Winning New Jobs Seminar, Letterkenny, Ireland, April 13, 2005.

Kellogg Leadership for Community Change: Community Readiness and Leadership Networks. Technical Report to the Kellogg Foundation, January 24, 2005.

Sustainability in Community Health Programs: What is Needed? Kaiser Foundation Health Seminar, Oakland, California, October 22, 2004.

Network Measures of Community Readiness for Change Society for Evaluation Research. Reno, Nevada,

November 8, 2003.

Field Experiments in the „Winning New Jobs“ Program. NIMH Training Program Seminar on Epidemiology of Mental Health and Mental Illness, University of Michigan, Ann Arbor, MI, October 24, 2003.

Promoting Resilience in the Face of Adversity. Positive Organizational Scholarship Seminar Series, University of Michigan, Ann Arbor, Michigan, October 6, 2003.

Creating the Next Generation of Leadership Networks. University of Michigan Organizational Studies Talk, Ann Arbor, Michigan, September 24, 2003.

Leadership Networks in the Kellogg Leadership for Community Change Initiative. W.K. Kellogg Foundation, Battle Creek, Michigan August 27, 2003.

Intervention as Hypothesis: Learning from Field Experiments in the „Winning New Jobs“ Program. Invited Keynote Address, Family Research Consortium III, Santa Anna Pueblo, New Mexico, June 26-29, 2003.

Supporting the Transition from School to Work. Invited Colloquium, University of California at Los Angeles, April 29, 2003.

The Organizational Studies Concentration. Presentation to Campus Day for Parents and Students, University of Michigan, Ann Arbor, Michigan, March 3, 2003.

Writing Proposals in the Organizational Sciences. Organizational Psychology Brown Bag, University of Michigan, Ann Arbor, Michigan, January 28, 2003.

Supporting the Transition from School to Work. Keynote lecture, International Symposium on Youth and Work, Espoo, Finland, November 21, 2002.

Cultural Collaboration for Prevention: Winning New Jobs in China, Finland and California. Keynote lecture, The Second World Conference on The Promotion of Mental Health and Prevention of Mental and Behavioural Disorders, London, England, September 13, 2002.

Organizational Studies. Interview with University Record, University of Michigan, Ann Arbor, Michigan, November 15, 2002.

Organizational Studies at Michigan. Lecture to LS&A Dean“s Advisory Committee, University of Michigan, Ann Arbor, Michigan, October 25, 2002.

Science and Community Psychology. Symposium, Annual Convention of the American Psychological Association, Chicago, IL, August 23, 2002.

A Tale of Three Community Collaborations: Winning New Jobs in China, Finland and California. Paper presented as part of the Symposium on “International and Intra-National Challenges and Benefits,” Society for Prevention Research, Seattle, WA, May 30, 2002.

How Innovation Champions Use Cultural and Political Knowledge. Organizational Psychology Speaker Series, University of Michigan, February 12, 2002.

Planting Prevention Programs in Foreign Soil: Lessons from Finland, China and California. Invited Colloquium,

Arizona State University, January 25, 2002.

Prevention Strategies for Groups At High Risk for Depression. Invited address, Conference on Prevention of Depression: New Breakthroughs, New Translations. University of Michigan Depression Center, Ann Arbor, MI, November 16, 2001.

Jobs in Finland, China and California: Three Stories of Culture and Politics in Organizational Innovation. Interdisciplinary Committee on Organizational Studies, University of Michigan, November 9, 2001.

Field Research Strategies in Prevention Research. Psychology Honors Guest Lecture, University of Michigan, Ann Arbor, Michigan, October 8, 2001.

Psychology Builds a Healthy World: New Markets, New Research: Injury and Violence Prevention in the Workplace. Symposium, Annual Convention of the American Psychological Association, San Francisco, CA, August 27, 2001.

Bridging Organizations Between Communities of Research and Practice: Opportunities for Graduate Education and Community Development? Symposium, Annual Convention of the American Psychological Association, San Francisco, California, August 26, 2001.

The Winning New Jobs Program: A Person-environment Intervention designed to reduce the mental health problems in the unemployed. Symposium, Annual Convention of the American Psychological Association, San Francisco, California, August 25, 2001.

Accountability for our own Successes: Lessons in Replicating and Disseminating Model Programs. Keynote address, Council of Foundations 2001 Annual Conference – Philadelphia, Pennsylvania, April 30, 2001.

The Courage to Take Charge of your Own Education. Graduation Address, Organizational Studies Student Assembly, University of Michigan April 27, 2001.

Socioeconomic inequality, new jobs and health. Keynote address, Future of Work and Health, California Wellness Foundation and Rockefeller Foundation, San Francisco, CA, March 15-16, 2001.

Research on Stress, Coping and Life Events. Psychology Department Presentation for Dean Neuman, University of Michigan, January 29, 2001

Downsizing of State Owned Enterprises in the People's Republic of China: Impact on Workers and Their Families. Keynote address, International Conference on "Labour in a Globalising World: The challenge for Asia", Center of Comparative Public Management and Social Policy Conference, City University of Hong Kong, January 4-6, 2001.

Knowledge exchange, adaptation and implementation of prevention initiatives. Keynote speech, World Federation for Mental Health Conference, Atlanta, Georgia, December 5-8, 2000.

Winning New Jobs: A preventive program aimed at reducing economic and health disparities in the unemployed. Symposium on "Eliminating Health Disparities Through Employment", American Public Health Association Annual Meeting, Boston, Massachusetts, November 14, 2000.

The end of the “Iron Rice Bowl in the People’s Republic of China”: Policy impact on organizations and families. Presentation, Organizational Psychology Brown Bag Series, Department of Psychology, University of Michigan, September 26, 2000.

Building human strength: A person-environment perspective. Symposium, Annual Convention of the American Psychological Association, Washington, D.C., August 7, 2000.

Keys to disseminating effective prevention programs. Symposium, Annual Convention of the American Psychological Association, Washington, DC, August 5, 2000.

Scientific collaboration across borders and boundaries. Symposium, Annual Meeting of the Society for Prevention Research, Montreal, Canada, June 2, 2000.

Collaborations in Winning New Jobs: China, Finland and California. Presentation, Annual Meeting of the Society for Prevention Research, Montreal, Canada, June 1, 2000.

Cross-level influences of emotional group context to individual learning. Presentation at Fetzer Consortium on Emotional Intelligence meeting, Washington, D.C., April 26, 2000.

The Winning New Jobs Program: Two decades of research and development. Keynote address, Institute of Psychological Science, Seoul National University and the Department of Labor, Seoul, Korea, April 21, 2000.

International collaboration on JOBS: Lessons from Finland, Israel, and China. Symposium (Chair) at APA/NIOSH Interdisciplinary Conference on “Work, Stress, and Health 1999: Organization of Work in a Global Economy” Baltimore, Maryland, March 12, 1999.

Winning new jobs: Enabling healthy career transitions and reemployment. Symposium Presentation at APA/NIOSH Interdisciplinary Conference on “Work, Stress, and Health 1999: Organization of work in a Global Economy,” Baltimore, Maryland, March 12, 1999. Part of symposium of “Findings from a \$20 million statewide work and health initiative.”

Theory-guided reinvention as the key to high fidelity practice. Presentation at National Institutes of Health conference on “Preventive Intervention Research at the Crossroads,” Bethesda, Maryland, November 6, 1998.

Prevention and the future of work and health. Symposium, 106th Annual Convention of the American Psychological Association, San Francisco, California, August 17, 1998.

Couples employment project: Multisite preventive intervention trial. Symposium (Chair) at 106th Annual Convention of the American Psychological Association, San Francisco, California, August 17, 1998.

Training in prevention research: Needs, models, and prospects. Symposium Discussant at 106th Annual Convention of the American Psychological Association, San Francisco, California, August 16, 1998.

Kurt Lewin’s insight and the challenge of prevention research. Invited Address to Society for the Psychological Study of Social Issues, 106th Annual Convention of the American Psychological Association, San Francisco, California, August 14, 1998.

Achieving high fidelity in the JOBS program: Conceptual and methodological challenges. Symposium (Chair) at Sixth Annual Meeting of the Society for Prevention Research, Park City, Utah, June 4, 1998.

Cross-level intervention issues: theory and design. Presentation at APA/NIOSH Conference on Promoting Healthy Development, Atlanta, Georgia, May 9, 1998.

Effectiveness trials in prevention: Conceptual and design issues. Presentation at State University of New York, School of Social Welfare, New York, February 11, 1998.

Life history of the JOBS program for the unemployed: Lessons for programme development, dissemination and implementation. The Seventh Annual European Conference on The Promotion of Mental Health, Maastricht, The Netherlands, October 8, 1997.

Children and families in stressful situations: Prospects for prevention. Discussant, Division 27 Symposium, Annual Meeting of the American Psychological Association, Chicago, IL, August 18, 1997.

Prevention science: Basic research, theory development, and preventive interventions. Discussant, Division 12 Symposium, Annual Meeting of the American Psychological Association, Chicago, IL, August 16, 1997.

New links between work and health in a changing workplace: A discussion of preliminary findings from a state-wide strategic initiative. Symposium presenter at Academy of Management Meeting, Boston, MA, August 12, 1997.

Theoretical challenges in prevention research. Discussant at Society for Prevention Research Annual Meeting, Baltimore, Maryland, May 6, 1997.

Progress on promotion and prevention research in the United States. Keynote address, Ayrshire International Mental Health Promotion Conference 1997 in Ayr, Scotland, April 11, 1997.

JOBS for the prevention of mental health problems. Workshop given at the Ayrshire International Mental Health Promotion Conference 1997 in Ayr, Scotland, April 11, 1997.

The JOBS and Couples programs for helping unemployed workers successfully find new jobs. General lectures (with Dr. Amiram Vinokur) to China All Women's Federation; Research Center for Contemporary China; Beijing University, Institute of Psychology, Chinese National Academy of Sciences, People's Republic of China, March 4 -6, 1997.

Preventive trials and organizational innovations in coping with job loss. The Claremont Graduate School, Symposium on Applied Social Psychology, Claremont, California, February 22, 1997.

Preventive trials as a window on the stress and coping process: The example of job loss and mental health. New York University, Department of Psychology Colloquim Series, February 18, 1997.

Innoculation against setbacks and other cognitive approaches to coping. APA/Private Industry Council symposium "Beyond theory: Strategies for employment and training professionals," New York, February 6, 1997.

Preventing depression after job loss: Intervention, impact and underlying processes. Grand Rounds Seminar Series, Department of Psychiatry, University of Michigan, December 4, 1996.

Organizational readiness for health promotion. Third International Conference on Worksite Health Promotion: Counteracting Stress and Burnout, Nordic Institute for Advanced Training in Occupational Health (NIVA),

Nauvo, Finland, May 29, 1996.

Organizational innovation and transformation. Organizational Behavior Seminar, Tel Aviv University, Tel Aviv, Israel, May 21, 1996.

Why preventive intervention research is basic to developmental science. Invited colloquium given at The Carolina Consortium on Human Development, University of North Carolina, Chapel Hill, NC, October 9, 1995.

Economic stress in families at midlife: Research implications for prevention. Symposium Chair at The Third Interdisciplinary Conference on Occupation Stress & Health (APA/NIOSH), Washington, DC, September 13-16, 1995.

Job loss as a turning point: Using the job seeking role as a resource to influence life trajectories and well-being. Presentation at the NIH Workshop: Social Stressors, Personal and Social Resources and their Health Consequences, Bethesda, MD, August 18, 1995.

Person-environment psychology: Contemporary models and perspectives. Symposium Discussant at the APA Annual Convention, Division 34 Symposium, New York, NY, August 12 & 13, 1995.

The Michigan JOBS program: Supporting career transitions in a time of organizational downsizing. Presentation at the Workshop on Lessons from current "Best Practices": Model Approaches for Moving People off Welfare, Ann Arbor, MI, August 1, 1995.

Theoretical frameworks for mental health risk reduction in primary care. Keynote Address at the joint WHO/Department of Health/Royal Institute of Public Health and Hygiene Conference on Mental Health Promotion and Disease Prevention in Primary Care, Kensington Town Hall, London, United Kingdom, July 12-14, 1995.

Making the possible science possible: Creating scientific, policy, and community support for prevention. Invited Keynote Address to the 1995 Society for Community Research and Action, Chicago, IL, June 17, 1995.

Violence and job loss: Research at the Michigan Prevention Research Center. Workplace Violence Seminar, Center for Group Dynamics, Institute for Social Research, Ann Arbor, MI, January 17, 1995.

Scientific structure for prevention research. Workshop discussant at Workshop on a Scientific Structure for the Emerging Field of Prevention Research, John Hopkins Prevention Research Center, Baltimore, MD, December 5, 1994.

Impact of the JOBS program on reemployment and mental health. California Wellness Foundation invitational conference on Unemployment and Health Initiative Planning, Berkeley, California, November 14 & 15, 1994.

Person-environment psychology. Symposium discussant at the Annual Convention of the American Psychological Association, Division 34, Los Angeles, California, August 15, 1994.

Scientific standards and evidence of impact in preventive interventions. Symposium on "Prevention of Mental Disorders Research Agenda" at the Annual Meeting of the American Psychiatric Association, Philadelphia, Pennsylvania, May 25, 1994.

Prevention of mental disorder. Invited Colloquium given at Department of Human Development Proseminar,

University of Kansas, Lawrence, Kansas, April 29, 1994.

Can we influence the life course of families experiencing job loss and economic hardship? Invited Colloquium given at Psychology Department Colloquium, Arizona State University, Tempe, Arizona, April 26, 1994.

Prevention as Interdiscipline: Opportunities for a new experimental science. Keynote Address, Department of Psychology, Arizona State University, Tempe, Arizona, April 25, 1994.

In prevention research, nothing is as practical as a good theory. Keynote address, Conference on "Prevention of Psychosocial Problems in Children and Adolescents", Utrecht University, Utrecht, The Netherlands, November 12, 1993.

Symptoms of alcohol, drug abuse and depression among the unemployed: Effects of employment status and vulnerability factors on symptoms and comorbidity. Paper presented at the First Annual Meeting of the Society for Prevention Research, University of Kentucky, Lexington, Kentucky, October 22, 1993.

Primary prevention for the unemployed: The JOBS Program. Lecture given to the Psychology Department, University of Warsaw, Warsaw, Poland, October 14, 1993.

Person-environment psychology: Contemporary models and perspectives. Symposium discussant at the Annual Convention of the American Psychological Association, Division 34, Toronto, Ontario, Canada, August 23, 1993.

Criteria for selecting and evaluating model prevention programs. Symposium moderator ("Evaluating Primary Prevention: Programs, Outcomes and Issues") at the 4th Biennial Conference on Community Research and Action on "Primary Prevention and Health Promotion: Health and Community Psychology", Williamsburg, VA, June 18, 1993.

Primary prevention for the unemployed: The JOBS Program. Workshop given at the 4th Biennial Conference on Community Research and Action on "Primary Prevention and Health Promotion: Health and Community Psychology", Williamsburg, VA, June 16, 1993.

Outcome evaluations: Possibilities and perils. Panelist at Wingspread Symposium "Outcome Evaluation of Primary Prevention Programs" Milwaukee, WI, May 25-27, 1993.

The JOBS project for the unemployed, Presentation at the Annual Conference of the National Mental Health Association, Alexandria, VA, May 22-23, 1993.

JOBS Preventive Intervention. Presentation of the JOBS preventive intervention given to staff of the Mental Health Association in Tulsa, Oklahoma, sponsored by the National Mental Health Association Prevention Technical Assistance Program, May 5, 1993

From basic prevention science to application of prevention programs in the community: Theory, research and community practice. Workshop given at the Third International Meeting on Current Fields of Application in Psychology: Prevention, Free University of Mexico, Mexico City, Mexico, April 21, 1993.

The development and application of prevention science: New initiatives in the United States and examples from the Michigan Prevention Research Center. Presentation at the Third International Meeting on Current Fields of Application in Psychology: Prevention, Free University of Mexico, Mexico City, Mexico, April 20, 1993.

Prevention in mental health: Scientific principles and policy implications. Presentation at the Galt Visiting Scholar Lecture Series, Richmond, Virginia, April 19, 1993.

Creating transitional organizations for the unemployed: The Michigan Prevention Research Center program impacts on psychological, behavioral and economic outcomes. Symposium presented at the APA/NIOSH Conference "Stress in the 90's: A Changing Workforce in a Changing Workplace", Washington, D.C., November 21, 1992.

Mechanism, conflict, and cultural symbol: Three views of the relation between social insight and social transformation. Invited address presented at the First Annual Conference on the Integration of Social Work and Social Science, University of Michigan, Ann Arbor, Michigan, October 30, 1992.

Stress at work. Presentation at Job Training Partnership Association Workforce Minnesota Conference, Bloomington, Minnesota, September 30, 1992.

What randomized preventive trials can tell us about the causes of risk, resiliency and development. Paper presented at the William T. Grant Foundation Conference, "Risk, Resiliency and Development: Research and Interventions", Kiawah Island, South Carolina, May 28-31, 1992.

The JOBS I preventive intervention for unemployed persons: Its short and long-term effects on reemployment and mental health. Paper presented at the Conference of the Society for Industrial and Organizational Psychology (SIOP), Montreal, Quebec, May 1, 1992.

Successful approaches to promoting adolescent health. Panelist at Carnegie Corporation of New York and Carnegie Council on Adolescent Development National Symposium entitled "Crossroads: Critical Choices in Adolescent Health," Washington, D.C., April 13, 1992.

Coping with unemployment: Epidemiological findings and the impact of a prevention intervention. Presentation at Psychology Colloquium Series, University of Hawaii, Honolulu, Hawaii, February 28, 1992.

Prevencao da Psicopatologia. Presentation at Instituto Superior de Psicologia Aplicada Conference entitled "Coloquio de Psicologia Clinica," Lisbon, Portugal, October 29, 1991.

Prevention programming: Moving from basic research to implementation. Keynote Address at the National Conference on Prevention, Utrecht, The Netherlands, May 3, 1991.

Prevention programming: Implementation. Workshop presented to The National Center for Health Behavior, Utrecht, The Netherlands, May 3, 1991.

Worksite wellness programs: Health targets, risk appraisal, implementation and evaluation. Presentation made to National Policy Workshop for Health and Well-Being and Work Disability, Utrecht, The Netherlands, May 2, 1991.

Results from The National Survey of Outpatient Drug Abuse Treatment Program. Presentation to NIDA Advisory Council, University of Michigan, Ann Arbor, MI, April 9, 1991.

Isomorphism and external support in conflicting institutional environments: The case of drug abuse treatment units. Paper presentation at the 1990 Annual Academy of Management Meeting, San Francisco, California, August 13, 1990.

Intervention programs for adolescents at risk. Presentation to the Board of Directors of the Carnegie Corporation of New York, New York, New York, April 26, 1990.

Evaluating programs for adolescents at risk. Presentation to the Board of Directors of the William T. Grant Foundation, New York, New York, March 28, 1990.

Research on prevention: The state of the art. Presentation at the Department of Human Development Proseminar Lecture Series, University of Kansas, Lawrence, Kansas, March 9, 1990.

Prevention programming for work and well-being. Workshop given at the 1989 Wisconsin Prevention Conference, Cable, Wisconsin, November 14, 1989.

Planning, implementing and evaluating prevention programs. Workshop given at the 1989 Wisconsin Prevention Conference, Cable, Wisconsin, November 13, 1989.

National drug abuse treatment system survey, 1988: Preliminary results. Paper presented with T. D'Aunno, C. Burke & J. Wheeler at National Institute on Drug Abuse meeting with Director, Rockville, Maryland, October 19, 1989.

Outpatient drug abuse treatment services, 1988: Results of a national survey. Paper (with A.C. Burke, T.A. D'Aunno, D.M. Klingel, W.C. McCaughrin, J.A. Rafferty & T.E. Vaughn) presented at the National Institute on Drug Abuse RAUS Review Meeting on "Improving Drug Abuse Treatment", National Institutes of Health, Bethesda, Maryland, August 28, 1989.

Planning, implementation and evaluation of early intervention programs: Increasing organizational readiness. Paper presented at the Children's Second Behavioral Health Conference, University of Arizona, Tempe, Arizona, June 23, 1989.

Work and psychological well-being. Invited Alumni address in honor of Professor Ed Olson, Lawrence University, Appleton, Wisconsin, June 15, 1989.

Fourteen ounces of prevention. Workshop given at the Spring Conference of the Ohio Psychological Association, Columbus, Ohio, April 28, 1989.

Prevention and the selection of model programs. Introduction of workshop on prevention programs given at the 16th Annual Conference of the Council of Michigan Foundations, Detroit, MI, November 2, 1988.

Fourteen ounces of prevention: Prevention programs that work. Presentation as part of the Workshop on "Prevention Activities at the National Level" at the Mental Health 1990's Partnerships and Strategies Conference, Detroit, MI, October 17, 1988.

Managing work force reduction for organizational competitiveness and worker well-being. Paper presented at the Fifth Annual Symposium, "Competitiveness, Compassion, and Corporate Strategy: Creating the Vital Balance," Rutgers University, Piscataway, New Jersey, October 27-28, 1988.

Successful prevention programs. Presentation at the First Annual Conference on the Prevention of Interpersonal Violence, Wayne State University, School of Medicine, Detroit, MI, September 29, 1988.

Bearing witness. Division 27 Distinguished Contribution Award presentation at the Annual Meeting of the

American Psychological Association, Atlanta, Georgia, August 14, 1988.

Criteria for selecting effective prevention programs. Presentation at the Funders Guide to Prevention in Human Services Conference, Amherst H. Wilder Foundation, St. Paul, MN, April 20, 1988.

Critical issues in risk factor research. Discussant at Prevention Intervention Research Centers Symposium, National Institute of Mental Health, Rockville, MD, March 2-4, 1988.

Practical issues in the evaluation and implementation of preventive interventions. Presentation at Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Washington, D.C., October 21, 1987.

What do successful prevention and intervention programs have in common? Presentation at National Staff Development and Training Workshop, National 4-H Center, Washington, D.C., September 29, 1987.

Prevention for providers. Panel Discussion Chair, Annual Meeting of the American Psychological Association, New York, N.Y., August 30, 1987.

Person-environment congruence. Symposium Discussant, Annual Meeting of the American Psychological Association, New York, N.Y., August 29, 1987.

Organizational theory for the national study of drug abuse treatment. Seminar Discussant, Center for Advanced Study in the Behavioral Sciences, Stanford, CA, June 9, 1987.

Links between research and policy? Symposium Discussant, "Combining Work and Family Life," Conference on Community Research and Action, Columbia, S.C., May 22, 1987.
