

# Back-to-School Checklist for MI College Voters

## 1. Decide where you want to vote.

By law, college students can vote at home or at school. It's your choice!

**Vote at home in person** This only works if you're able to travel home on election day!

### Vote in your home district by absentee ballot

— If you registered in person (at the Secretary of State or with a City/Township Clerk) or voted in a MI election already, you are eligible to request an absentee ballot. Find the request form here: [bit.ly/MI\\_absentee\\_req](http://bit.ly/MI_absentee_req)

— If you registered by mail and haven't voted before, you can become eligible to request an absentee ballot by visiting your City/Township Clerk's office with your valid photo ID. ***You'll need to do this before you leave home for school!***

### Vote at school

— Register to vote with your campus address (see #2 below)

— Or change your voter registration to your campus address by filling out and mailing this form: [bit.ly/MI\\_change\\_address](http://bit.ly/MI_change_address)

## 2. Register to vote.

Are you already registered? Double check here: [michigan.gov/vote](http://michigan.gov/vote)

If you're not registered, visit your City/Township Clerk's office (which you can find here: [bit.ly/MI\\_find\\_clerk](http://bit.ly/MI_find_clerk)) or use [TurboVote.org](http://TurboVote.org)

**The last day to register is October 9th!**
