# features

## Wellness Room

The Wellness Room (655) is a private, reservable room that can be used for personal medical needs. The space is designed for lactating mothers, those needing to inject insulin, or others with similar needs. The room includes seating and a small refrigerator.

## Reflection Room

The Reflection Room (653) is a reservable space for students and other members of the University community to meditate, pray, and otherwise spend time in quiet reflection. It is open during building hours.

## Staff Lounge

A spacious Staff Lounge (607) features a variety of seating. The lounge is designed for building staff to use during personal breaks and not open to the public.

## Seminar Rooms

The seminar rooms are designed to be flexible and accommodate classes, meetings, and events. When scheduling classes in seminar rooms, please check with the Registrar's Office for maximum enrollment.

## Library/Quiet Study

Two spaces (707 & 947) are designated as library/quiet study rooms that can be used as drop-in space for anyone needing a quiet place to work.
